

## Ultrasite at Work A Case Study

Dr. Jayaram sees numerous ultrasonography patients a day. But the last two months he has managed to increase his capacity to see patients, and despite this they all are happy with timely reports and appointments. One reason is the use of Ultrasite into his practice.

Ultrasite helps Dr. Jayaram take down his appointments and add them in easy to navigate slots. It automatically alerts him on the day so no managing cumbersome diaries. Now from his visit page he knows who has come, who has paid and what is pending. Managing his time better with information at his finger tips he now has improved his productivity. He has already forgotten the tiresome ways of opening word files and editing them to make reports.

His clientele are pleased with him. Providing them their reports & bills online has saved them time, and sending them Email & SMS reminders has made it more personal. With PNDT reports and referrals managed he does not turn anyone away. He goes home a happy & relaxed man, knowing his data is safe with Ultrasite thanks to the Backup facilities built in.
